The following information was previously reported to the Court in a Violation Memorandum dated August 8, 2005.

During the July 25, 2005, office visit with the defendant, he signed a voluntary admission of illegal drug use form admitting to using cocaine on or about Saturday, July 23, 2005. Mr. Wooten also submitted a urinalysis specimen on July 28, 2005, which returned positive (+) for cocaine.

Due to the above violations, the defendant was instructed to meet with a counselor at the Veterans Affairs Medical Center in Memphis for a referral to the Cocaine and Alcohol Awareness Program, Inc. (hereinafter referred to as CAAP, Inc.) for residential drug treatment. Mr. Wooten was received at CAAP, Inc. from the Veterans Affairs Medical Center on August 5, 2005.

On September 6, 2005, Mr. Wooten violated the condition requiring that he participate in substance abuse counseling or treatment if deemed advisable by Pretrial Services as he was discharged from the CAAP, Inc. residential drug treatment program. According to the defendant's case manager at CAAP, Inc., Martha Hall, the defendant signed out before leaving on August 29, 2005, noting that he was going to the Veteran's Administration Medical Center (VAMC). The defendant failed to return to the CAAP, Inc. facility and a social worker at the VAMC advised that there was no proof that the defendant was at their facility. Attempts by Pretrial Services to contact the defendant since September 6, 2005, have been unsuccessful.
